## Surgery News

Our dentist Sumayyah Khonat has a new teaching job at Kings College in London. She will still be working with us 3 days a week but these will be changing to Tuesday, Wednesday & Thursday. We apologise in advance if we need to change an existing appointment you may have with us.

Priyanka Patel has now left the practice to get married. Louise McAllister will be seeing her patients in the interim period before her replacement starts.

Kayleigh Johnson our receptionist is climbing Kilimanjaro in June for the charity Headway. This charity is for people suffering a brain injury and also supports their families. We are supporting her mammoth journey ahead.

Please help support her if you can.
