# August 2018 Newsletter

---

## General Data Protection Regulations

It's important we gather this consent when you next attend an appointment as the new GDPR regulations are now active which means that as a practice, we will only be able to contact patients who have opted in. Please speak to a member of our team for further information.

## Gum Shield Day

A gentle reminder that our Gum Shield day is Monday 20<sup>th</sup> August. We still have appointments available so please book in as soon as possible for your child's sports guard, ready for the new term.

## New Whitening Products

Pola Luminate is a convenient 'whitening pen' which can be used at any time of the day and is also a great product for topping up existing whitening. Opalescence Whitening toothpaste is also available and is formulated to provide excellent whitening effects. Please ask a member of our team for further information and our introductory offers.

## Top Tips

During the hot weather, hydrate well with water and avoid squash and ice lollies where possible as these can cause decay and acid erosion.

## Practice News

From September, we will have two new Dentists joining our Team! Priyasma and Ali, both highly qualified and skilled Dentists, will be providing NHS and private treatments.

## Important Information

The Department of Health has confirmed that boys in England will receive the HPV vaccine. Aside from protecting against infections and disease, this can also prevent oral cancer.
