

The Essex Dental Clinic – December 2020 Newsletter and Covid-19 update

Dear Patient,

We hope that this newsletter finds you and your families well.

Christmas Tooth Whitening Offer

Why not give yourself a boost for Christmas?

We are offering £100 off Tooth Whitening booked in December 2020 so the cost is only £250 to improve your smile.

New Orthodontist

We are delighted to be joined by Urszula Grzegorzcyk who will be providing orthodontics initially offering after school appointments on Tuesday evenings. Urszula has particular interests in Orthodontics and the cosmetic side of Dentistry. She has gained additional experience and training by studying at University of Warwick and is in the process of completing an MSc in Orthodontics. Urszula has also been working for several years in the Colchester and Sudbury areas.

She is an enthusiastic, friendly Dentist, providing her patients, of any age with the best options available. She aims to meet their expectations by helping them achieve the smile they have always wanted.

Outside of work, she enjoys travelling, skiing and spending time with her family.

Please complete forms prior to your appointments

Your necessary forms, either for NHS treatment or Medical History annual updates, will be sent in a link with your text message or email appointment reminder. PLEASE COMPLETE THIS PAPERWORK BEFORE YOU ATTEND THE PRACTICE, otherwise we may not be able to see you for your appointment, as it makes the surgery run late for the following patients. We have a short video on our Facebook and Instagram pages to explain the new procedures when you arrive for your appointment. We would be grateful if you take a moment to watch this before you come to the practice.
